

Bylaw for ASNP Membership Credit System

1. ASNP manages the credit system of its members to promote members' active participation and self-development of student members and junior regular members.
2. Only integers may be used for credit points.
 - A. Members can accumulate credit points upon which may be beneficial to members' activity in ASNP.
 - B. Credit points for the biennial ASNP events, such as NATPRO conference, can weighted double.
 - C. Members' participation is weighted and the volunteer and staff for the activity reserve 5 points.
 - D. Simple participant reserve 1 point.
 - E. Speakers of the conference, workshop, forum, and other similar activities, including plenary, invited, oral, and student oral, and chairs reserve 5 points.
 - F. Poster presenter reserved 2 points.
3. The credit points can be assigned to the members only after formal membership, and only for the occurrence after ASNP membership.
4. The bylaw is effective upon decision by Board of Directors.
