

## Category of ASNP Activity

### Science

S-1	Chemistry	Organic Biochemistry Analytical	isolation, purification, synthesis, structure
S-2	Metabolism	Prebiotics Probiotics Pharmacokinetics	bioavailability
S-3	Biology and efficacy	Biological activity	Cancer GI disease diabetes Alzheimer's Disease inflammatory Chronic
		Clinical study Nutrition	Digestion Nutrients Supplements
S-4	Non-herbal NP	Marine Animal Insects	

### Technology

T-1	Biotechnology	Process and Production Formulation	
T-2	Medicine	Traditional herbal	
T-3	Functional food	Development Health improvement	Cognitive and learning Stress Immune
T-4	Cosmetics		
T-5	Diets	Vegetarian and Vegan Halal, Kosher	

### Outreach

O-1	Regional NP	Scope and trends of country Screening	
O-2	Regulations and policy	Registration Cultivation and Safety QA/QC Statistics	
O-3	Education	Pedagogy Workshop
